Vervegirl Daily Vancouver - RIHANNA'S UMBRELLAS (ELLA, ELLA, EH, EH, EH!)

Rihanna made singing in the rain gorgeous with her catchy single "Umbrella". As the Barbados darling twirled through a stage filled with dancing umbrellas at the Grammys just more than a week ago, **Vervegirl Daily** scoped out one-of-a-kind sticks pour vous.

The authentic and oh-so-couture Rihanna Umbrellas from Totes-Isotoner come in eye-popping styles. Take the Rihanna satin stick (\$50) in black with fuchsia lining, for instance. Go to the Totes-Isotoner website (www.totes-isotoner.com), take down the Ella's serial number and order through the Mail Order Centre at 513-772-0354.

The Vancouver-based Umbrella Shop brand is famous for stylish selections, such as this gold, leopard-lined umbrella (\$35). The Elabsys (\$29.50) geisha girl atop this rain shield from Pylones Rain Parade Collection is designed in Paris (available at **Gumdrops** / www.gumdrops.ca / 2029 W.4th Avenue / 604-733-1037).

Go glam with the Juicy Couture 'It's Raining Couture' Umbrella (\$70). This black beauty comes embedded with Swarovski crystals (available at **Below the Belt** / 1131 Robson Street / 604-688-6878).

You can stand under my umbrella.
